¹ Transaction fees vary depending on the type of card used and how the transaction is processed. Estimates in this table are based on swiped transactions with major cards (Visa, Mastercard, etc). EBT card transactions that require using a PIN are not subject to transaction fees, however, other transactions that require entering a PIN, keying in the card number by hand, or using other types of cards may be subject to a fee. Refer to individual pricing schedules.

² Funding for this program is limited, and is available on a first-come, first-serve basis according to the date you applied for your free SNAP EBT equipment. Program participants enjoy a \$0 fee for EBT card transactions in their first 3 years of the program or until program funding has expired. The transaction fee for EBT cards will be \$0.15 after the 3 year term or when funding has expired.
